

# The Mornington Community Garden

## About The Garden

Mornington Community Garden is nestled within a residential area of Mornington.

Formerly a croquet club and established in the spring of 2000, it is now a wonderful green space where people of mixed backgrounds and abilities can get together to share and learn gardening skills.

## Our Event

Our workshops take place on the **3rd Saturday** of every month at **12 PM**

Along with workshops we conduct Food Swap from **1 to 2 PM**
